Thank you for your interest in the CEC Internship and Volunteer Program. We place motivated students and individuals in community based sustainable development projects in the southern Caribbean region of Costa Rica. Our goal is to provide affordable growth and learning opportunities for volunteers and researchers, while at the same time supporting community groups and organizations in the region.

Please complete the following application form in order to provide our placement coordinator with information about yourself and your interests. Be as detailed as possible so that we can match you with an appropriate volunteer project. Upon careful review of your application, we will notify you with our decision.
